## **MINIS UNLIMITED MEMBERSHIP 2008**

There will be no membership fees throughout 2008. Everyone is welcome, including partners, families and friends. Associates receive a pen and car sticker.

Members are encouraged to attend regular meetings, plus check for news & offers via our website, blog and online Message Board. An email distribution list is set up for event updates. No postal membership. Please use the club contact details for any queries. The emphasis this year is for members themselves to support the club by coming up with interesting event information, charity ideas and fun local driving routes, which we can easily distribute details to others so they can pick and choose what they'd like to join in with. We won't be chasing individuals for each event; its up to you to 'put your hand up'!

Club meetings plus dates of interest are published on our website. A paper copy is available on request.

Minis Unlimited offers you guaranteed display space on our booked stand in the club areas at Mini In The Park, and MiniWorld Action Day. Additional display stands at local or national shows will be discussed and agreed through the year. Meet-up place/times will be confirmed for local runs or event convoys; please make sure you're there for prompt departure.

Minis Unlimited offers Public Liability Insurance for Minis parked on organised static displays by the club. Details are available on request. We ask attending drivers to contribute £1 per car per event to help cover this cost. Many shows now are demanding PLI for exhibited vehicles.

Any pre-booked show admission tickets or track passes must be paid for in full, in advance. No refunds unless we can arrange your costs to be transferred to another member.

We can provide club membership confirmation if you need proof for your Mini insurance. We can also help with agreed value estimates.

Regalia and clothing featuring our logo can be purchased. Offers and orders through the year.

We appreciate members helping to advertise Minis Unlimited to other local Mini owners by carrying some credit-card sized flyers with the club details on. Please ask for a few to keep in your car.

We expect members to join in with club activities, have fun, help others with technical advice, plus be courteous to other members and the public.

**Thank you.**
